## Other wedding services from Studio Cru include

**Pre-Ceremony Portrait** – With the exception of our Registry Office package, all the packages include a complementary Pre-Ceremony Portrait of the couple, taken in our state of the art, air conditioned studio, usually 4-6 weeks before the wedding. This provides the ideal opportunity to meet, work with and get to know your photographer in congenial surroundings prior to the big day. Having broken the ice with your photographer you can be sure of a smooth and pleasant photographic experience with a friendly face!

**Albums** – All our albums are hand made, book bound in leather and are available in a range of colours, sizes and styles. All package albums can be up-graded if required and will be quoted on request. We are also able to supply a wide range of alternative cover materials such as canvas with an image, stainless steel, brushed aluminium, acrylic and wood. Albums can be further personalised with etched photo plates, names or initials.

**DVD** – of all the shots taken throughout your day, with the option of sequenced music of your choice.

**Memory Board** – an A3 framed portrait on art paper (generally produced from a photograph taken during your Pre-Ceremony shoot) set in the centre of the board. At the reception your guests are invited to sign the board with any messages they wish to add – a modern twist on the traditional guest book. The Memory Board is then glazed to ensure that the messages are not damaged in later years.

**Additional Photographer** – providing additional photographs, throughout the day capturing those special impromptu moments and memories.

**Coffee Table hard backed bound books** – a contemporary approach to the traditional photo album.

**Designer range** – The Bride and Groom are involved in designing the layout of the albums or the coffee table books.

To avoid disappointment it is advisable to book early to ensure that we are available for the date of your wedding. The calendar fills up very quickly in the Autumn, and we are often asked for dates 2 years in advance!
